

Exodus session 8- Songs of Praise

Read

See Exodus 15:1-21

Reflect (questions for discussion)

- How often do we stop, and give heart-felt thanks to God?
- How does a thankful attitude affect our overall well-being?
- How do other people respond to someone with a thankful attitude?
- Should Moses be thankful at the loss of life for the Egyptians?
- How might a Christian react in a similar situation?
- Do we believe in a warrior God or a furious God? (verses 5 and 7)
- Verse 11 begins: 'Who is like you among the gods?' How would you as a (monotheistic) Christian re-phrase this?
- Look at verses 13-15 and then examine your map. What strikes you, how would you explain this?
- What do you want to give thanks for in your present circumstances?
